WHY A CHRISTIAN EDUCATOR?

I was blessed to attend St. Peter Lutheran in Lodi, kindergarten-8th grade. My father was the youth director/teacher here at St. Peter and later became an ordained Lutheran Minister. As an alumnus, my new opportunity to share the love of Jesus with students and families is truly a calling by God!

EDUCATION PHILOSOPHY

We have been created as unique individuals with various God given talents and abilities. Giving God our best in attitude, attention, and effort shows the praise he deserves!

HOBBIES & LIKES

I am married with three boys ages, 20, 15, and 12. Sports, outdoors, family and friendships is where I enjoy most of my freetime. In addition, I like to sing and listen to music.
