College: University of Nevada, Reno

State Credentialed: CA Multiple Subject

Degree(s): Bachelor of Science Degree in
Human Development and Family Studies

“Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth.” 2 Timothy 2:15

WHY A CHRISTIAN EDUCATOR?

Becoming a Christian educator has been one of the most fulfilling career choices I have ever made. Here I am able to teach children about Faith and what it means to follow Jesus. I can show children how to live with integrity and serve as a positive role model. My love for children brought me to teaching, but the love of Jesus Christ brought me to St. Peter School. We pray together, learn together, and above all share the love of the Lord together.

EDUCATION PHILOSOPHY

I want our students to build the skills for life-long learners. I want to instill the love for learning and reading, and most importantly the love for God. In my classroom we grow positively-academically, socially, and emotionally. We care for, respect, and support each other as we face challenges inside and outside of the classroom.

HOBBIES & LIKES

I have a wonderful husband and two beautiful children with whom I spend most of my time. I love gardening, fishing, camping, and Disneyland. I also enjoy DIY projects, event planning, and decorating. We have a small ranch with walnuts, cows, chickens, and a pig, along with three cats and two dogs. So many blessings.
