WHY A CHRISTIAN EDUCATOR?

I believe learning a second language is important for students to experience. Students will be able to build friendships and be able to spread the word of God to the Hispanic culture in their native language.

EDUCATION PHILOSOPHY

I want to impact our students' lives by having them become passionate on learning how to read, write, and speak Spanish. I will encourage students in becoming more critical thinkers and help them develop skills to become successful in life.

HOBBIES & LIKES

My Favorite pastimes include taking care of my 2-year-old son, spending time with my husband, drawing and photography.
