Degree(s): B.S. Business Administration

WHY A CHRISTIAN EDUCATOR?

After being a public-school teacher for 11 years, I always felt like something was missing in education. God's love and lessons is what guides our lives and should guide our education. I love that at St. Peters we are able to teach the whole child, from reading and math to religion, art and science.

God is banned from public education, and he is what is needed most. I love teaching the children about the amazing things he does for us and his endless love and forgiveness.

EDUCATION PHILOSOPHY

I believe in meeting a child where they are at and teaching them with love and encouragement. They need to believe they can do it and have confidence in themselves. Through hard work, determination and consistency all students can learn and excel.

HOBBIES & LIKES

I enjoy spending time with my family, decorating, planning parties and trips, and baking. As a family we love going to Disneyland and the beach and hope to go to Disney World and Hawaii soon. To relax I ride my Peloton, walk my dogs or go shopping alone.
